No Street Lights At Christmas Time

Government Asks Business Firms to Continue Modest Christmas Decorations

WPB has issued orders that city officials, civic clubs and citizens generally shall dispense with outdoor Christmas decorative lights this year, in order to conserve critical materials, electricity and manpower.

WPB has further advised that individuals and mercantile establishments shall continue their Christmas decorations in a limited manner.. It was recommended that no business firm spend more than $50 on their Christmas decoratoins.

Canyon has had street lighting and decorations for several years, but in order to comply with this order the Christmas street lights will not be put up this year. City officials and Chamber of Commerce directors urge that all business firms and citizens continue their decorations as in the past.

The children should not be deprived of the beauties or the spirit of Christmas. But citizens are advised to keep decorations and Christmas lighting at a minimum this year.

Most business firms will decorate early this year owing to the fact that it is necessary to mail packages and letters early so that they will not fail to reach their destination on time.

G. A. Farlow Has Perfect Record of Attendance

GEO ALLEN FARLOW

This week marks an anniversary in the life of George Allen Farlow of which he is justly proud.

On November 13, 1928, the Canyon Rotary Club held its first meeting. George was a charter member of the club. He is the only charter member who has had a perfect attendance throughout the history of the club. Fourteen years of perfect attendance is an achievement of unusual significance.

Uncle Sam Draws Large Number of Randall's Men

The November call for Selective Service was 31 men. Only 11 men were sent Monday afternoon to Lubbock for physical examination, the others having volunteered. Nine of these were accepted.

The following will go to Fort Sill on November 21: John Sterling Stinson, Albert Jackson Burgan, Earnest M. Allred, James Leslie Love, Harold Elwin Lewis, Clarence Elwin Lewis, Clarence Emil Walton, James Richard Risner, Johnny Conaster, William Hansel Perkins.

George Dewey Harper went from Lubbock to Fort Sill, not asking for the customary furlough.

William Dewey Dukes was rejected.

The following men have volunteered during the past week:

James William Love, reserve air corps.

Thomas Ralph Owens, reserve air corps.

Curtis Charles Kelley, reserve air corps.

Joseph Priestly Crisler, reserve air corps.

Oscar Leon Smith, Jr., navy.

Henry Bradford Black, navy reserve.

Harry Ackley Brown, Jr., navy reserve.

John Henry Dietz, army.

Robert Monte Ziegler, reserve air corps.

Cecil Edmund Burgess, ensign naval reserve.

Tom Kinsey, navy

Marvin John Kloss, marine corps.

Lawrence Mathew Hohlaus, aviation cadet.

William M. Pelton and Bobby T. Nickelson were accepted after being held over from the October 30 call, and will report to Fort Sill on November 17.

Gerald Warwick, Donnie Avent and Bill Heyser left yesterday for Dallas after joining the navy in Amarillo.

Delos George A. Coover, air corps.

Cecil Howard Williams, air corps.

Leaving today for Fort Sill were: Clarence J. Kern, Willard Franklin Brown, Wilbur E. Leavitt, James M. Black, J. A. Fox. They were accepted at Lubbock last week.

Rev. C. C. Armstrong at Annual Conference

Rev. C. C. Armstrong left Tuesday for Sweetwater to attend the Annual Northwest Texas Conference of the Methodist Church. Rev. Armstrong closed his first year as pastor of the local church Sunday, and reported all claims against the local church paid in full.

James Swafford, senior in West Texas State, will speak at the local church next Sunday morning.

Dr. S. H. Condron will speak at 8 o'clock Sunday night on the subject, "Goals for America in Light of the Present Struggle." Special music will be furnished by the young people.

Mrs. A. M. Smith and Miss Anne Smith of Amarillo spent Sunday with Miss Georgia Upfold.

Mabel Schmitz Is First to Join WAAC from Here

Miss Mable Schmitz was accepted in the Woman's Army Auxiliary Corps, WAAC, at Lubbock Friday and is now waiting for call into a training camp. She will receive training either at Des Moines, Iowa, or Miami Beach, Florida.

Miss Schmitz is a graduate of the Canyon high school. Her brother George, is a sergeant in the army air force in Alaska. She is the daughter of Mr. and Mrs. William Schmitz of Canyon.

Miss Schmitz is especially qualified as a telephone operator. There is need in the WAAC for young women qualified as telephone operators, radio operators, clerks, accountants, bookkeepers, cashiers, chauffeurs, hospital assistants, secretaries, and specialists in many lines of work. Each enrollment in the WAAC releases an able-bodied man for combat duty with the armed forces.

Lieut. Rose Smothers visitied Canyon last week and interviewed a number of young women. She intends returning to Canyon on December 1.

First Aid Class Will Start at the Red Cross Room

A First Aid class will be organized Friday evening, Nov. 13, at 7:30 in the Red Cross Room. The class will be taught by local citizens who have been authorized as instructors in the National Red Cross.

The class will be limited to 25. Meetings will be held once a week for a period of ten weeks. Members will be taken in order of application Friday evening.

Miss Novella Goodman will have charge of class organization.

Sgt. and Mrs. C. E. Armstrong of Camp Roberts, Calif., spent Thursday night with his aunt, Mrs. Otto White, enroute to Fargo, N. Dak. to enter officers training.

Homecoming Is Very Dignified

Good Crowd at All Events Are Sobered With the War Conditions of the World

Conservative in its program and patriotic in its theme was the Homecoming which brought to the campus Saturday a group of exes smaller in number than usual, but not lacking in spirit and evident enjoyment.

Tire rationing, an over-all spirit of restraint, and the presence of many uniformed exes distinguished this annual get-together. Saturday morning was given to club and organization reunions. While the home-comers were small in number, the presence of recent graduates was the cause for much enjoyment.

The football crowd was smaller than usual only through the absence of the high school bands which ordinarily occupy the bleachers on the east side. In the evening, the auditorium was filled when the curtain was raised for the patriotic pageant. Vividly noticeable because of the absence of a circus atmosphere and general gayety was the party at Cousins Hall. There the evening was spent in watching color slides and motion pictures, playing games and visiting. Special guests were more than thirty Canyon residents who were here when the College opened in 1910. Dr. J. A. Hill welcomed this group. He and Boone McClure were hosts. Oldtime dancing was enjoyed in the Women's Gymnasium.

Burton Gymnasium held a large crowd throughout the evening as Pi Omega directed a Sadie Hawkins-western dance. Coach W. W. Nicklaus performed with dignity in the role of mayor of Dogpatch. Prize winners in the costume contest included:

Daisy Mae—Catherine Tatum.
Lil Abner—Frank Cunningham.
Cowboy—Marvin Bowman.
Cowgirl—Zellica Holgate.
Fruitful—Edna Mae Mauldin.
Frightful—Jean Claborn.

Avanelle Hill and her attendants made a pretty picture, with the Buffalo Band, as they moved across the gridiron for the coronation of Miss Hill as football queen. The queen was interviewed by Jimmy Peck of KGNC in connection with the game broadcast.

Firemen Will Go to School For a Week in Amarillo

A wartime training school for firemen in this district will be held in Amarillo for a week starting next Monday. Firemen from Canyon have been asked to send two representatives to this school. After the week of training the two local men will return to instruct other members of the department.

Schools are being conducted in 26 districts of Texas under the direction of Marvin Hall, State Fire Insurance Commissioner. A. H. Davis, assistant Fire Chief of El Paso is instructor in the school.

Yanks Take Over North Africa

French Forces Join With Americans: Where Is French Fleet and Aged Petain?

Events in Europe and Africa are moving rapidly this week, as American troops took over North Africa Saturday.

French military leaders have ordered that resistence cease, and all military forces are now co-operating with the Americans who were sent to free Africa of the Hitler threat of invasion.

Hitler has moved into unoccupied France, and is reported to be transporting large forces across the Mediterranean in an attempt to stop the Yanks and to assist his hard pressed Rommel.

The events of the past few days have been so rapid that troop and political movements are hard to follow.

What is happening to the French fleet and to aged Petain, and whether Hitler will be able to get enough men in North Africa to be of material aid are the questions which will be answered during the next few hours.

Congress To Act on 18-19 Age Boys During Today

Congress will make available for military service today all 18-19 year old boys who were registered under Selective Service.

The House rejected the amendment sponsored by Senator W. Lee O'Daniel to compell the army to give the boys one year of training before being sent overseas.

It is estimated that the Senate will pass the bill with little opposition after eliminating this feature. It will take about 60 days to have these boys classified and ready for military service, according to Selective Service authorities.

Major Edmund Oatis Writes to Parents

City Commissioner and Mrs. B. F. Oatis were thrilled Tuesday when they received a letter with the name of "Major Edmund Oatis" written on the corner of the envelope. This was the first letter they had received since the promotion of their son.

Major Oatis is with the postal service of the army. He went overseas as a Captain and his parents received word recently of his promotion.

While they do not know where he is located, they are almost certain that he is with the American troops in England or Ireland.

Major Oatis was an inspector with the Postoffice Department before he enlisted in the army for postal service.

Elections For Committeemen to End Tomorrow

Community meetings under the AAA program are being held in Randall county this week. More representatives are being elected over the county so that driving may be reduced to the minimum for the committeemen.

The first meetings were held Tuesday and yesterday. County Agent W. H. Upchurch will wind up the meetings over the county Friday afternoon at the Zita school house.

TIERRA BLANCA CONF. MEET

The Workers' conference of the Tierra Blanca Association will meet at the First Baptist Church at Happy, Nov. 19 at 10 o'clock. The Rev. C. Gordon Bayless of Pampa will be the main speaker. Lunch will be served at the noon hour.

Sgt. Bud Meyers of Camp Edwards, Mass., arrived Sunday to spend a few days with his mother, Mrs. W. S. Meyers. Mrs. Meyers returned from Dallas Sunday where she had been visiting relatives.

Sgt. Billy Black of the U. S. Air Corps spent the week end with his mother, Mrs. J. C. Black. He is stationed at Las Vegas.

Mr. and Mrs. A. W. Sternenberg spent Sunday with Mr. and Mrs. A. J. Harris and Mr. and Mrs. Dennis Zimmerman in Tulia.

Ray Robbins of Pampa spent the week-end with his mother, Mrs. Earl Robbins.

D. F. Turner and Willie Sigler of Leesville, La., spent Sunday with Mr. and Mrs. W. H. Harden.

Truck Forms Are Now Available at District Office Located in Amarillo

Certificates of War Necessity Must Be Secured To Secure Gas Ration Books

To expedite the issuance of Certificates of War Necessity, required of all trucks and commercial vehicles beginning November 15, blanks are now available at the Office of Defense Transportation motor transport district office located at 1008 Fisk building, Amarillo. N. F. Nelson, district ODT motor transport manager, announced yestedday.

The application blanks are for the use of commercial motor vehicle operators who did not receive their application blanks by mail from the ODT central mailing office in Detroit.

Any operator of a truck, bus, taxicab or other commercial motor vehicle who has not yet received an application for a Certificate of war Necessity should report this fact at once, Mr. Nelson said. Local operators are asked to come by in person for their application blanks. Other operators in this section of the state will be served by mail.

Because there is so little time left —all carriers must have the actual Certificates of War Necessity in their hands by November 15 or they cannot lawfully operate—carriers should be certain that all applicable questions on their applications are answered fully and correctly and that the applications are returned in the shortest possible time.

Exams Tonight to Select Stenos for War Work

Civil service examinations for typists and stenographers will be held in Amarillo this evening at 7 o'clock for OPA positions.

Notice of this examination was not received here until yesterday. Particulars may be had at the postoffice for girls interested in taking the examinations tonight.

Presbyterian Church To Be Painted Thurs.

The Presbyterian Church is calling for volunteers to paint the basement of the church. The paint will be furnished, but those who have brushes are asked to bring them.

Anyone interested is advised to be dressed in old clothes and appear at the church Thursday afternoon at 3 o'clock.

Bishop E. C. Seaman Presbyterian Church

Bishop E. C. Seaman of Amarillo will be the guest speaker at the Presbyterian Church next Sunday at 11 o'clock.

Bishop Seaman has a special message on world conditions of today, according to announcement he has sent to the local church.

Mrs. Elzie Price spent the week-end with her mother at Dodson.

Armistice Day in Canyon Quiet as Business Suspends

Armistice Day was celebrated by most of the business firms in Canyon yesterday.

A concerted effort to close up for the day was not started until Monday, but by Tuesday noon practically all firms had agreed to take the day off.

The post office received instructions to remain open for the day.

Members of the Palo Duro Post enjoyed a breakfast at the Legion Hall at 8 o'clock, after which the Post put on an Armistice Day program at the Canyon high school auditorium. Dr. Harris M. Cook made an impressive talk on the significance of the day. No other celebration was held in Canyon.

Owing to the fact that the schools will be closed one day for gasoline rationing registration, there was no holiday in the schools.

Help Keep Canyon Clean!

Gasoline Ration Starts on Dec. 1

Lack of Materials for the Registration Necessitates Registration Postponement

Registration of cars and motorcycles for gasoline rationing has been postponed for one week.

W. J. Wooten, chairman of the War Price and Rationing Board, received a telegram Tuesday that registration had been postponed until November 19, 20, 21. Under the plan as first announced registration would be held this week at the school houses. Necessary blanks and the coupon books could not be made available in time for registration to start today.

As a result of this postponement gasoline rationing will not start until Dec. 1.

All extra casings above the five for each automobile must be turned into the government by November 22. Those who have extra casings must take them to the local express office and the casings will be shipped to the nearest supply depot.

The same plan as outlined last week for registration in Randall county will be effective on Nov. 19, 20, 21.

There will be two registration places in Canyon—at the grade school gymnasium and at the Registrar's office of West Texas State. The public school will be closed Thursday in order that all teachers devote the entire day to registering cars and issuing ration books. Only cars and motorcycle owners will register next week.

Other places for registering in Randall county will be: Umbarger school; Park school; Burch school; Alice Landegrin school in South Amarillo.

Citizens of Randall county living near the boundary of the county may register at Happy, Bushland or Wolfin schools. Their registration blanks will be forwarded to the local board in Canyon.

The gasoline panel serving with the Rationing Board is composed of J. P. Hix, J. W. Shook and Ross Craig.

Only basic ration books will be issued by the school teachers. Car operators who feel that they will need more mileage than the basic books provide may ask the registrar for a supplemental application. This is to be filled out later and sent to the local board for consideration.

Cold Wave Hits With Freeze, But No Moisture Here

The coldest wave of the fall hit Monday afternoon.

The temperature dropped to 24 degrees above zero, reaching that low point at 9 o'clock Tuesday morning.

This was the first freeze of any consequence of the fall. There was no moisture with the norther, which was appreciated by the farmers who are cutting their feed crop. Most of the feed has been cut and a large part of it has been stacked or shocked.

Record Christmas Mail Demands That All Do Their Mailing Early

Christmas Cards Must Be Placed in Mails Early As Well as All Packages

The Post Office Department now is starting the most gigantic task in its history—the movement of a deluge of Christmas parcels, cards and letters while maintaining the regular flow of millions of pieces of mail daily to and from our armed forces all over the world.

Indications are that the volume of Christmas mail will be the largest on record. Already in September, latest month for which figures are available, retail sales had reached a level second only to the record month of December, 1941, according to the Department of Commerce. Sales are rising. Such heavy purchases always presage heavy mailings.

If thousands of our soldiers, sailors, marines and civilian friends are not to be disappointed at Christmas time, the public must cooperate by mailing earlier than ever before and by addressing letters and parcels properly. The best efforts of the Post Office Department alone cannot be enough, in view of wartime difficulties faced by the postal system. The public must assist.

About 25,000 experienced postal workers already have been taken by the war services. Arrangements are under way to add thousands of temporary personnel to postal staffs, but this man power is hard to find and is inexperienced. Facilities of railroads and air lines are heavily taxed by movements of huge quantities of war materials and personnel. Extra trucks are almost impossible to obtain. Winter weather, hampering transportation, is beginning.

The free-mailing privilege granted to members of the armed forces has raised their mailings some 30 per cent, it is estimated. Expansion of these forces also is adding rapidly to the postal burden.

The deadline already is past for mailing gifts to Army and Navy personnel overseas with assurance that the parcels will arrive by Christmas. The New York post office reports that in late October, 350,000 such parcels were handled daily in that office alone.

Baptist Church To Improve New Lots

The Baptist Church has bought two lots between the church building and the Sternenberg Lumber Co.

It is planned to improve these lots and make them a part of the church lawn.

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation indivisible, with liberty and justice for all."

THE REPUBLICAN VICTORY

It was no surprise that the Republicans won so many seats in Congress in the election last week. As a matter of fact, it would not have been much of a surprise to see the Democrats lose the House in the turnover.

The Democrats must face the mistakes of the depression and the war. The Republicans did not fail to take advantage of this situation. You will recall that Woodrow Wilson lost the House during World War I, and thereon hangs the story of his failure to convince the nations that the League of Nations would prevent future wars.

There are a number of contributing factors to the Republican victory.

In the first place, the Republicans gained largely in those states which have always been Republican, but switched to the Democratic column when Harding, Coolidge and Hoover made such a mess of the post-war problems.

It would have been tragic if Congress, or either branch of Congress should be controlled by the Republicans at this time. President Roosevelt has the responsibility of carrying on the war and of writing the peace. He must have a working majority of Congress to assist him. With a bare majority of Democrats in both branches, the President must consider his Congressional leadership more than he has in the past, and work in closer harmony with them. The President has been so absorbed in the war that he has not taken time to confer with members of Congress as he should.

The slap which the President took at the farmers in his recent speech caused resentment which was reflected in this election. The President has coddled the labor unions at the expense of the farmers so long that well founded resentment was shown in many states. Farmers cannot understand why labor unions cannot work more than 40 hours per week without time and a half for overtime while they are forced to work 70 to 90 hours per week.

The unfortunate "government by bureaus" policy of the President was another cause for resentment. The people are tired of the peace time frills which were passed during the stress of the depression. The President demands that the people get behind the war efforts 100%, but handicaps those who want to do their part with unnecessary frills and rules of the depression. The people of the nation want to win the war, but do not see the necessity of so many conflicting and overlapping bureaus.

Furthermore, the people generally are tired of the abnormal wages which the government is paying. While thousands of men and women are called upon to give their time to the war effort, millions of men and women are being employed at wages 6 to 10 times the amount they ever earned in peace time. It gripes one to see a man who was never able to earn more than $15 per week get a war job which pays him $75 to $100 per week. The people understand that they must buy more bonds in order to pay the unreasonable wages.

The President has been very unfortunate in his relations with the press. He has relied upon his magic voice to carry his messages to the people, and never failed to ignore the press. His typical attitude was expressed in his labor day greeting to the press, "Hello suckers." The people are somewhat incensed over the censorship of the day, but are willing for this to continue if it contributes to winning the war. The people want to know the worst news as soon as it is practical to release as well as to know the good news from the battle front.

Finally, the boyish fight of the President and Jim Farley in the governorship fight of New York did not help the cause a bit.

President Roosevelt assured the French people that our troops entered North Africa as friends, not as enemies. The French believe the President and are coming over to the side of the United Nations. Their experience under Hitler certainly should lead them to expect no friendly or fair treatment from the Germans. For 150 years America and France have been friends. In 1918 we saved France from slavery under the Germans. The traiterous acts and deeds of Laval certainly should not induce the French people to refuse the cooperation which President Roosevelt asks of them.

Why sailor's pants are always tight, Jimmie Gillentine of the Hereford Brand received the following explanation from a sailor: "If you will look closely on a sailor's pants, you will discover that there is no belt. On the little flap, or whatever you call it, are placed evenly 13 buttons. Above these is placed a single button. The 13 buttons are for the 13 original states, and the one in the middle is to hold your pants up! The waist of the pants comes together and are held by this button. We find that if we don't wear our pants tight, they generally fall off."

Sam M. Braswell, owner of the Clarendon News for more than 25 years, has turned his business over to Clyde I. Price and Dick Cooke. Cooke has been with the News for several years. Mr. Braswell has not announced his plans, but it is indicated that he will continue to live in Clarendon. Mr. Braswell is one of the most forceful writers in Texas, and he will be missed from the newspaper profession. The best wishes of a host of friends go with him in the future in whatever walk of life he may persue.

The President has indicated that volunteer enlistment would be stopped and all men called for the armed forces would be handled through Selective Service. As in other war efforts, there is too much duplication in getting men into the armed forces. If Selective Service is of any use to the nation, it should handle all inductions and release thousands of able bodied soldiers, sailors, marines and coast guards for active service.

Thos. E. Dewey said on August 24 that he was not a candidate for President; that all he wanted was to be Governor of New York. Now that he has been elected Governor, wonder if he will not change his mind?

The Japs are worried. They say we started an illegal fight in Africa. In the eyes of the Japs the stabs in the back at Hawaii and the Philippines were perfectly legal.

A SECOND FRONT?

It matter little whether a second front has really been opened, or not. The American success in Africa is so far the greatest thrill of the war, and should go a long way toward electrifying the United Nations in their fight against the Axis. With Rommel in flight in the East and the Americans meeting little resistence in the West, the matter of running the Axis out of Africa should not be such an expensive job.

What will happen next is a matter of conjecture. Will the Uinted Nations attempt an attack on France or Norway, or will they attempt to knock out Italy and come up through the Mediterranean?

It is now an assured fact that the United Nations have been working on this plan for months, and the attack came only after it was certain that we had the men and material ready to do the job.

With the Russians holding the Germans, and a successful mopping up process in progress all over Northern Africa, it may be assured that the turning point in the war may be reached.

However, this is no time to let up on war preparations. Hitler will not be whipped until the Germans are actually on the run in Europe, and so far we are far from the vital territory which will start the Germans running toward home. All of this means that every American must continue to give his best and his full support ot the war efforts.

In spite of the solemn promise of the administration that there would be no more strikes, 7,000 walked out in Detroit and Cleveland last week and valuable war materials were not manufactured to supply the men who are on the battle front. In spite of the warning of Donald Nelson that we are not producing as we should be, the President said Friday that 40 hours per week was enough for men to work. If all citizens outside of war production would work only 40 hours per week, the nation would starve to death since production of the farms would be cut in half; and those in civilian jobs could not make a living at these short hours of labor.

No wonder the war with the Japs has gone for almost one year without the United Nations doing little more than stopping the march of the Japs. We taught the Japs all they know about warfare, and even educated most of their military men in our schools. They knew what we had to start with, and we knew nothing of what they had been making during their years of preparation.

Very little interest was taken in the election in Texas last week. As a matter of fact, so little interest was shown that after the first election reports were published no one has taken the trouble to find out the total vote cast, or the fate of the five constitutional amendments. It was indicated that the one on finances and the one on the John Tarleton building survived, while the other three were deefated.

Meyer and Cook Attend Meetings In Dallas

D. A. M. Meyer, Dr. Harris M. Cook, and J. B. Speer were in Dallas over the week-end where Dr. Meyer conferred with representatives of the Office of Price Administration in conjunction with other college representatives to plan a program whereby students and patrons of the schools could learn about their duties connected with the military and civil activities in connection with the war effort.

Dr. Meyer, Dr. Cook and Mr. Speer also attended the Texas State Teachers Association meeting. It was a regular business meeting where new officers were elected, some constitutional changes were made, and the body went on record as approving Senate Bill 1313 which aims to equalize educational opportunities in all states.

After his first meeting on Thursday, Dr. Meyer attended another meeting Friday where the O. P. A. and public school administrators were represented to plan a hand book which will give suggestions to public school personnel concerning their part in the war program.

Every State Is Now Represented in Museum Roll

The staff of the Panhandle-Plains Museum is happier now; every state has now sent one or more residents to the museum this year.

During October, the registration was 1,877. This raised the total for the year to 23,620. Despite the transportation difficulties, week end attendance has been steadily maintained. On November 1, 353 persons were registered.

The registration shows the following leading states: Texas, 20,719; Oklahoma, 655; New Mexico, 413; California, 192; Kansas, 168; Missouri, 134; Colorado, 128; New York, 107; Illinois, 100.

Geraldine Hart Will Present Piano and Voice Recital

The music department of West Texas State will present Miss Geraldine Hart, senior, in a piano and song recital, November 13, at 4:30 in the Administration Auditorium. The program for the recital is as follows: "Sonata op. 10," allegro, and allegretto movements, by Beethoven and "Prelude" by Chopin, "Nocturne E Flat" and "My Sweet Repose" by Schubert-Liszt, "Erotic" by Grieg, and "March of the Dwarfs" by Grieg.

The songs to be sung by Miss Hart will consist of "Wanderer's Night Song," "Romance from Rosamund" by Schubert, "The Lorely" by Schumann, "Slave Song" by Del Rieggo, and "Florian's Song" by Godard.

Other piano solos will be "In the Forest" by Whelpley, "May Night" by Palmgren, "General Lavine"—eccentric, by Debussy.

TRINTY LUTHERAN CHURCH

12th at Taylor, Amarillo

Martin J. H. Hartenberger, pastor.

Sunday school and Bible class at 10 a. m. Divine worship with Holy Communion at 11 o'clock. Sermon: "The Great Sin of Rejecting God's Word" based on 1 Samuel 15,23.

Public is welcome to worship with us.

A Chinese diplomat once told about a Chinese committing suicide by eating gold leaf.

"But," exclaimed one of his listeners, "I can't understand how that could have killed him."

"Probably," the diplomat answered, "he died from the consciousness of inward gilt."

Mankind has free will, but it is only to milk kine, to build houses, and etc. So long as a man is at ease and in safety, so long he thinks he has free will; but when want and need appear so that there is neither meat, drink nor money, where is then free will?—Martin Luther.

The sea is feline. It licks your feet—it's huge flanks purr very pleasant for you; but it will crack your bones and eat you, for all that, and wipe the crimson foam from it's jaws as if nothing had happened.—O. W. Holmes.

Wooten Retained; Mary Kate Campbell Elected; Two New Directors Are Selected

Raymond Thompson of Vega and Elmer Wooten of Stratford were re-elected president and vice-president of the Ex-Students' Association in a vote-by-mail election held concurrently with Homecoming at West Texas State.

Other officers chosen were: Second vice-president, Mary Kate Campbell, Amarillo; directors, Dalton Ford of Groom and Mrs. Tom Knighton of Canyon.

Holdover directors are Walter Travis of Floydada and Miss Lois McCaslin of Hereford. Dr. Lee Johnson is executive secretary.

Stolen Jerseys of Sports Dept. are Returned Here

Albuquerque's "Dead End Kids" failed in impersonation of football players recently. An alert police force picked up five boys in Albuquerque last week who were wearing West Texas State football jerseys. In a letter of explanation to Coach W. A. Miller, Assistant Chief of Police P. J. Dugan stated that "the boys were strutting around town with them on, appearing to be everything except football players. After questing them a a short time, we picked up about one-half of a squad."

When the Buffaloes were enroute to Flagstaff, they stopped in Albuquerque to eat lunch. They put their busses in a parking lot. The jerseys presumably were stolen while the squad was eating lunch. A peculiarity of the situation was that neither Coach Miller nor Student Manager Ralph Davis knew the jerseys were stolen. The jerseys were extras that were taken along for an emergency.

Contest Winners Are Announced Tuesday at Rotary Luncheon

Olin E. Hinkle was in charge of the Rotaary Club program Tuesday. He introduced the winners of the essay contest which was jointly sponsored by the Rotary Club and the Prairie, student publication.

"What the American Way of Life Means to Me," was the subject. Mr. Hinkle stated that it was not easy for youngsters to talk about the American Way of Life. There are so many blessings in America which we simply take for granted. Consenting these facts in 250 words is a difficult job.

The essays were judged by professors in West Texas State. Mr. Hinkle read several excerpts from the essays which showed that the younger generation have a clear idea of the blessings of our government, and what the people of this nation enjoys.

Winners were introduced as follows: 1st Jim McCandless of Amarillo; 2nd Ruth Lutrick of Hale Center; 3rd Hud Prichard, Jr., of Canyon; 4th, Mabel Back of McLean; 5th, Arvella Davis of Earth; 6th, Peggy Bishir of Canyon. Miss Bishir is the daughter of Rotarian Marion Bishir, president of the club this year, who recently volunteered in the army.

Accordian music was furnished by Staff Sgt. Walter Link of the Fort Sumner Flying School.

George A. Farlow was introduced as the only charter member of the club with a perfect attendance record. The club was organized Nov. 13, 1928, and Mr. Farlow has a perfect record for 14 years.

Visitors were: Irving Tolzein, W. W. Rusk, O. K. Lewis, John Kenyon, G. E. Smith, all of Amarillo; Tom Langston of Canyon; Sgt. Walter Link of Fort Sumner.

What becomes of the miles you don't drive?

Today undriven miles are war weapons.

The rubber you don't use is airplane tires, antitank-gun treads, machine-gun mounts, life rafts, tank-interior pads, pontoons, and hot water bottles for field hospitals.

The gasoline you don't use is fuel for fighter and bomber planes, for jeeps and tanks, for motor torpedo boats and armored cars. And more, the magic of the new petroleum chemistry takes the material, which formerly became gasoline, and Aladdin-lamps it into precious synthetic rubber and devastating high explosive.

The same intensive Phillips research which in peacetime was dedicated to improving Phillips 66 Poly Gas and Phillips 66 Motor Oil now, vastly increased in scope and faster in tempo, serves the Nation's victory program.

Canyon City Chapter members are requested to be present and all O. E. S. members are cordially invited.

ACHIEVEMENT DAY OF PARK H. D. CLUB

The Park Home Demonstration Club met in the home of the foods demonstrator, Mrs. Frank Simon, Thursday afternoon. Mrs. Simon had on display her 240 quarts of canned goods. There were groups of assorted vegetables, fruits, pickled products, preserved and fellied foods. The cost of this valuable pantry supply was only $17.00, and the cost includes jars and jar tops.

Mrs. Simon completed another club goal when she found an old discarded wash stand, and painted it to match her kitchen wood work. In this she installed the index filing system for her recipes, a file for her club bulletins, a space for her desk supplies and an account book for the family budget. This made a very complete business center in a very convenient place in the home.

She completed still another goal when she served whole wheat in some form to her family for one week straight, then later using it in her menu after she had become acquainted with the various recipes provided by our county agent. In doing this she found many interesting and appetizing ways to serve the whole wheat, a project we all should take more interest in.

A program committee had prepared a very interesting game of scrambled vegetables for the club members and guests. Mrs. G. A. Colling the club president won the prize for unscrambling the most vegetables. There were several bouquets of autumn flowers, and the center piece of four beautiful dahlias were from Mrs. W. E. Bennett.

Light refreshments of sugar cookies and hot tea were served to Mrs. John Bischel, and Miss Frances Wilroy, guests. Members present were Mrs. Elmer Winters, Mrs. Leonard Winters, Mrs. F. A. King, Mrs. Frank Winters, Mrs. Charles Thurmon, Mrs. G. A. Colling, Mrs. W. E. Bennett, Mrs. J. E. Park, Mrs. A. T. Burkes, Mrs. James Eddie Park, Mrs. Herrick Simon, Mrs. J. V. Williams, and Mrs. Frank Simon.

RANDALL COUNTY UNIT OF TEXAS TEACHERS MEET

The Randall County Unit of the Texas State Teachers Association met Friday, Nov. 6.

The following officers were elected: president, Miss Darthula Walker; first vice-president, Mrs. John Davis; second vice-president, Miss Novella Goodman; secretary, Mrs. Guy Tabor; treasurer, Miss Grace Clark. Members of the House of Delegates were elected as follows: Miss Elva Fronabarker, Dr. A. Kirk Knott, Mrs. Linnie Harter, and Miss Darthula Walker. Miss Ruth Lowes and Mrs. Guy Tabor were elected alternates.

Supt. J. B. Speer made a brief report of the meeting of the House of Delegates of 1941.

Dr. A. M. Meyer, President of the Northwest Conference for Education, urged the necessity of functional activity, particularly at this time when the meetings of the State Teachers Association are suspended.

MRS. LAUGHERY HAS ROSE WALKER CIRCLE

The Rose Walker Circle of the Baptist Church met with Mrs. Minnie Laughery Tuesday afternoon. The devotional was given by the hostess. Prayer was given by Mrs. Emma Dodson.

Members answered the roll call with a Bible verse. Mrs. Mark Laughery gave a talk about her stay in Montana.

Sandwiches, cookies and tea were served to Mrs. R. E. Gill, Mrs. T. T. Fain, Mrs. M. E. Sorgee, Mrs. J. C. Dowd, Mrs. E. B. Anthony, Mrs. Jessie Reid, Mrs. Dodson, Mrs. C. O. Cooper, Mrs. I. M. Steen, Mrs. Charles Stratton, Mrs. L. C. Ruthardt, Mrs. Anderson and Mrs. Laughery.

The Circle will meet with Mrs. Reid next week.

SUE HITE CLUB STUDIES NATIONAL PROBLEMS

The Sue Hite Study Club met at the Thompson Club Room Monday afternoon to discuss national problems.

Mrs. Hud Prichard and Mrs. Cecil Briggs discussed the gasoline and rubber rationing and other transportation problems. Mrs. J. H. Black gave the history of the Texas Federation of Womens Clubs. Mrs. Cecil Simms was elected as a new member of the Club.

Those present were Mrs. Briggs, Mrs. Prichard, Mrs. W. W. Nicklaus, Mrs. Mitchell Jones, Mrs. K. L. Kirkland, Mrs. Herschel Jennings, Mrs. Black, Mrs. Levi Cole, Mrs. D. M. Foster, Mrs. Robert P. Jarrett, Mrs. W. F. Haggard, and Mrs. Olin E. Hinkle.

CANYON ELEMENTARY P. T. A. TO MEET

The Canyon Elementary Parent Teachers Association will meet Monday afternoon, Nov. 16, in the Music Room of the grade school building at 4 o'clock.

The theme of the program is "Education, the Bedrock of Democracy." The speaker will be Miss Florence McMurtry of the Education Department of the college.

All interested in "uniting the forces of home, school, and community in behalf of the children" are urged to attend.

MERRY MAIDS AND MATRONS MET WITH MRS. MURRAY

Mrs. C. A. Murray was hostess to the Merry Maids and Matrons Club Thursday afternoon at her home. Fall flowers decorated the entertaining rooms.

CENTERVIEW CLUB HAS ACHIEVEMENT DAY

Mrs. Serena Bryant was hostess to the Centerview Club Friday afternoon when the club met for Achievement Day. Miss Legate, the district demonstrator met with the club. She urged the women to can more and use care in cooking vegetables.

The roll call was answered by "some fruit or vegetable I have canned."

Refreshments were served to Miss Legate, Miss Vesta Amerson, Mrs. John Davis, Mrs. John Patterson, Mrs. C. N. Rogers and Mrs. Edgar Washburn, guests; Mrs. S. F. Sharpes, Mrs. E. W. Wesley, Mrs. L. H. Barnard, Mrs. E. M. Wilson, Mrs. Dell Zachry, Mrs. Harney Rogers, Mrs. Sam Bryant, Mrs. J. W. Wesley, and the hostess.

MRS. HUD PRICHARD HAS LAS SENORAS NUEVAS CLUB

Mrs. Hud Prichard was hostess to the Las Senoras Nuevas Club Wednesday afternoon. Fall Flowers decorated the tables.

Mrs. Cecil Briggs was low score winner, and Mrs. J. Madison Daugherty was high score winner.

Gingerbread with whipped cream and coffee was served to Mrs. Clyde Davis, Mrs. Dewey Foster, Mrs. Mitchell Jones, Mrs. Tom Brasher, Mrs. Joe Black, Mrs. Briggs, Mrs. R. P. Jarrett, Jr., and Mrs. Daugherty.

WOMAN'S BOOK CLUB WILL MEET WEDNESDAY

The Woman's Book Club will hold their next meeting Wednesday evening, Nov. 18. The meeting will be at the Thompson Club Room.

Resolutions in Honor Capt. W. E. Lockhart

Since the college faculty of W. T. S. T. C. is called upon to recognize the promotion by death of Mr. W. E. Lockhart, for 21 years a member of the faculty; therefore be it resolved:

I. That the cause of education has sustained a great loss. His devotion to the best for his students and his clear-cut instruction are of permanent value. His memory will continue to bless those who were his students and associates.

II. That as an officer in the National Guard he knew how to take superb care of his men; and every man of his company has been placed in a position of confidence and trust.

III. That his personal life challenged to high emprise. There was no foul talk in his Company; the ideals of all his enlisted men were raised, and the morale heightened. Men who served with him knew what they were doing, sensed the high call of their country, and responded.

IV. That the best portion of this good man's life cannot be fathomed because his generosity of mind, time, and pocket-book were not exploited.

V. That as a citizen his sense of responsibility was high: the church, the humdrum obligation of the poll tax and the vote were mandatory on him and his measuring rule for the people seeking public office was true.

VI. That through the years his family has enjoyed the high privilege of a counsellor of character, sound judgment and understanding affection.

Resolved further that a copy of these resolutions be spread on the minutes of the Faculty, a copy be furnished to his family and to the Palo Duro Post of the American Legion, and published in the Canyon News, and The Prairie.

WARREN'S

Teaching Mission Begins Sunday at Episcopal Church

REV. W. R. SCOTT

All Canyon people interested in learning more about the religious customs and traditions of the Episcopal Church are invited to a six-day Teaching Mission scheduled every evening Sunday, Nov. 15 thru Friday, Nov. 20 at 8:15 p. m.

To the many who have expressed an interest in the form and quiet beauty of the Episcopal services, this mission will provide an historical religous background upon which the modern devotional philosophy and orders are based. It will also try to show how the Church can help Christians in today's crisis.

The Rev. W. R. Scott is a native Texan who graduated from Denton before attending the General Seminary in New York for three years. A background rich in religious study and service in New Jersey, Nebraska and Texas makes particularly well suited for this type of instructional and devotional service.

Holy Communion will be celebrated at 8 o'clock, Monday, Wednesday and Friday mornings of Mission Week.

Mrs. R. C. Henry returned Thursday from Maben, Miss., where she had been visiting. Her grandmother, Mrs. S. M. Cole, returned with her for a visit.

Miss Martha Frances Campbell of Texas Christian University spent the week-end with her parents, Mr. and Mrs. Ray Campbell.

Miss Jackie Weathersby of Amarillo spent Sunday with Miss Juanita Foster.

TELEPHONE SERVICE IN WARTIME

We are trying to give our nation in war what we have always tried to give in time of peace—the best telephone service in the world. We can't build more lines to do it, because most of the metal is needed for arms. So the longer long distance lines, carrying vital war calls, are becoming more and more crowded. When you think of calling a faraway city, won't you please ask yourself:

1. Is it necessary?

2. If so, how can I keep it *short?*

War calls come first, and we know you'll *gladly* help clear the way for them.

SOUTHWESTERN BELL TELEPHONE COMPANY

Yesterday was Armistice Day, marking the end of the First World War. We are now engaged in another World War—a much greater war, which is taking the entire resources of our great and mighty nation. We thought we won the first war, but it turned out to be only a breathing spell so that the Axis could get started again.

This war, World War II, is truly a global war, which is taking in every citizen—every man, woman, boy and girl in every nation of the world. People are starving by the millions in those unfortunate countries which have been overrun by the Axis. This is a lesson for us—we must stay well and strong in order to finally whip the enemy and restore health to our friends who are now prisoners of the Axis.

In spite of the changes in your diet, you will still find plenty of good foods in our store—all reasonably priced. Americans can change their diet to meet the demands of the hour. Bellah's will help you with your food problems, and most cordially invites you to come to our store every day for your food needs.

Six Classes Hold Fourth Meeting

Juniors Select Class Play Scheduled for December

As the six classes of Canyon High School gathered for their fourth class meeting of the year Friday morning, there was little important business to be discussed. Students expressed their personal opinions of The Eagle's Tale on student-parent polls which were passed out in each group.

Members of the Senior Class postponed the Sadie Hawkins party which they had planned for Friday night.

A committee had chosen a Junior Play for this year, "That Crazy Smith Family," which the class approved. Practice and try-outs will begin next Monday. The play is to be presented early in December.

Debates Entertain Sophs

After having reports on the class' results of the carnival, Sophomores witnessed debates on the question "Is Sadie Hawkins Week Practical?" by John Gill vs. Joyce Sanders, Ernest Frank vs. Evelyn Black, and Tommy Thompson vs. Ellen Sanders.

Wednesday night of this week was to be the gala occasion of a party for the freshmen. Besides planning the party, reports on this class' participation in the Hallowe'en Carnival were given in class meeting.

Chairmen Are Elected

Program and social chairman, Billy Jo Wallen and Frances Gooch, were elected in the eighth grade meeting. This class also planned a party for Wednesday, but since Friday it has been postponed.

Led by Billye Gill, Geneva McDougal, and Joan Morton, a quiz on famous people and a question and answer game were presented to the seventh grade after they had elected Valeta Haines program chairman and had a report on their carnival booth.

Even in the Seventeenth Century great philosophers, such as Francis Bacon, had practical ideas on studies and friendships.

Do you agree?

"Studies serve for delight, for ornament and for ability."

"Some books are to be tasted, others to be swallowed and some few to be chewed and digested."

"Reading maketh a full man; conference a ready man; and writing an exact man."

"Whosoever is delighted in solitude is either a wild beast, or a god."

"A principal fruit of friendship is the ease and discharge of the fullness and swellings of the heart, which passions of all kinds do cause and induce."

"Dry light is ever the best."

"There is no such flatterer as is a man's self; and there is no such remedy against flattery of a man's self, as the liberty of a friend."

"A friend is another himself."

To the accumulative list of Canyon High School ex-students who are occupying varied positions in the armed services of our country, the names of Richard iDetz, Arthur Hardeman and Bob Campbell may be added.

I Want to Buy a Bomber!

Sales of Stamps and Bonds continue each Monday in Canyon High School. Buying once a month is not enough. Consistency is the all-important goal which high school students must attain. The boys at the front don't quit when there is a job to do. Copy their example; our sales should double next Monday.

Program Honors Armistice Day

High School Band Assists Legionaire's Celebration

As a feature of Canyon High School's Armistice Day program yesterday morning, Dr. Harris M. Cook, Dean of Men at West Texas State College, presented a talk on "Education of Free Men in American Democracy."

The Canyon High School Band, under the temporary direction of C. E. Strain, director of the West Texas Buffalo Band, entertained the student body as well as visiting parents.

Ceremonies formally began by the Doughboy Statue in the business district with Dan Sanders presiding. Directly following these formal exercises, American Legion members bearing the colors marched with the Eagle Band to the high school.

Included in the assembly program was Louis Hinder's presentation of the hall mirror which is the 1943 Seniors' class gift to the school.

On behalf of the students and faculty of Canyon High School, The Eagle's Tale wishes to express its sympathy to Ermin Winningham at the death of her father.

Friends Won't Tell But the Mirror Will

Innocent, little-knowing I was dashing up the front steps of Canyon High School, not hurrying to English but cold, when a reflection strong enough to stop Joe Louis bumped me in the nose.

No, it wasn't Bobby Black beaming out the door; it was only the big, big mirror donated to their Alma Mater by the 1943 Seniors.

Taking it slowly to get my eyes accustomed to the brightened halls, I spied about two or three (dozen) girls slowing up until the way cleared so they could go strutting out in front to decide which expression would be best to throw on their fellow students for the first appearance of the morning.

One little boy crept out of a dark corner, gave the hall the once over, threw back his shoulders, stuck out his chest and marched right up to the mirror, winked at himself and marched down the hall.

Aren't people conceited!

School Welcomes New Students

Canyon Public Schools wish to extend a hearty greeting to the new students who have enrolled in the last week.

Hailing from Culberson, Okla, are: Lens Margaret Gray, ninth grade; Jefferson W. Gray, eighth; and Lowel Garland Gray, seventh.

Other new students are Ray Ellison from Lubbock, eighth grade; Marvin Kinny from Ralls, Texas, eighth grade; and Josephine Mulanax, who is a senior from Fort Worth, Texas.

Larry Isaacs from Amarillo enrolled Monday in the first grade taught by Mrs. T. W. Collins.

Mrs. Roscoe Davis also reports several new students, including Barbara Lou Sparks from Hawkins, Oklahoma. From Ralls, Texas, is Sue Ann Kinney; and Nellie Boone comes from Hart, Texas.

School Begins Red Cross Drive

Some of the girls of Canyon High School are doing their bit to save essential war materials. I noticed several wearing pig-tails to school last week, thereby eliminating the use of bobby-pins.

Eighth graders Mary Alice Browning and Ridings Sloan make quite a cute couple. Don't you think?

I smell romance brewing every time I get near Lynelle Roach and Bobbie Dowd, but definitely!

I'm tellin' you, the weaker sex of this school really strutted its stuff last week. Everywhere I went girls were boldly leading their catches around. A few of the "mentionables" are:

Tommy Thompson drinking a coke at the expense of Shirley Ann Newberry.

Some beautiful "strange gal" tripping the "light fantastic" with Joe Ziegler at the Homecoming dance.

Ruth Price digging into her pockets while Lindsey Taylor helped himself to another coke.

Evelyn Black buying Don Standley a box of pop corn.

It seems funny that Charles So-Relle can't make up his mind between his three foremost admirers: Helen Jo Cox, Frankie Phillips and LaNora Mahler. We know there's a man shortage around here, but is it so bad that everyone has to pick on the same guy?

Anyone who didn't know better might think this is dude ranch with so many boys and girls decked out in levis and cowboy boots. Canyon High School students are certainly living up to their western heritage.

I heard a rumor somewhere that Joan Byars, a young W. T. High co-ed, is thinking seriously of changing schools. What are you so starry-eyed about, Tommy Hunter?

Charles Lee Evans has been rushing Jean Prater like everything since he found out she is going to move away soon.

I'm not sure (so don't repeat this), but I have a vague memory of hearing something about Charley Farley and Geraldine Small. Am I right?

One of the male victims of Sadie Hawkins date said that things would really be dull around here if EVERYTHING were left up to the WOMEN.

GUESS WHO

She's a blonde-headed junior,
And those eyes—gee whiz!
High-stepping little bandster;
"Bonds and stamps" her motto is.

Ermin Winningham and Speedy Wright were the couple in last week's Guess Who. Did you guess them?

FFA Boys Outline Future Activities

To set goals and make plans for the coming school year, members of the two local chapters of the Future Farmers of America met recently.

A number of boys expressed a desire to enter sows in a testing program that will be held in the near future if enough interest is shown.

Plans were made to set up a mixing plant to be used by the F. F. A. boys in mixing their feed.

Project Enlarges School Service

Each Student Must Bring Penny for Membership

Service, world friendship and fitness for service through health is the underlying philosophy of the Junior Red Cross, which endeavors to strengthen the established curriculum of correlating Red Cross Projects with many curricular subjects.

To be eligible for membership in this worthy project, each student must bring one penny or more. This contribution enables the school to participate in the service and world friendship activities.

Aims Are Designed

The larger aims and objectives parallel those of any school, and the program is designed:

1. To give practice in citizenship through activities that bring young people in touch with community, national, and world problems.
2. To develop a spirit of voluntary service.
3. To promote personal habits of health and safety.
4. To develop a sense of responsibility for the health and welfare of others.
5. To build up an understanding, an appreciation of the cultures of all peoples and an abiding faith in humanity.

Goal Is 100%

Participation in the Junior Red Cross gives students an opportunity to work shoulder to shoulder in an organization that enjoys the respect and cooperation of all peoples and every government in the alleviation of suffering and the preservation of human life and happiness.

"We are hoping for a 100% membership from Canyon High School, because the Junior Red Cross provides opportunity for our school to practice citizenship on a local, national and international scale," confirmed Miss Rhita Jean Sullivan, Canyon High School Junior Red Cross chairman.

Pictures Assist Unit Projects

"Meat and Romances," a short film on the cuts of meat, was shown to the homemaking classes last week. The film was sponsored by the State Department of Education and helped describe more clearly the unit of study on the classes.

Two films were shown, explaining the habits and customs of several South American countries and were to supplement the idea of foreign friendship relations between the United States and their allied countries.

These films are the first of 20 that will be shown in Canyon High.

If nature is so wonderful, why didn't she make the mosquito a vegetarian?

SPORTS

By MANIS READ FOSTER

Who said that C. H. S. would have no school spirit if football were abandoned? If the spirit of all other students in school matched that of our enterprising basketball team, handicapped as it is by lack of transportation, this school would be the liveliest in the state.

Playing as if for their very lives, the Eagle first string trampled the hardworking second string 65-15 Friday in their third scrimmage of the season.

Guard Calvin Sanders, brother of Coach Milton Sanders, was high point man on the first string, having piled up 19 of the 65 points scored by the first string.

Harris Brown, second string guard, accumulated one-third of the second stringer's 15 points.

Boys, Move Over!

Under the supervision of Miss Helen Whiteside and practice teacher, Amy Robinson, girls Phiz Edders are playing a mild form of basketball. Besides learning to referee, the girls are learning to be forward.

Old Man Winter won't take all enjoyment out of the noon hour for Canyon High students. Little white balls will fly this winter as senior, junior, sophomore, freshmen, and younger students ping pong their way to noon hour enjoyment.

Until Jack Frost takes over, however, the washers and horseshoes continue to slide. Washer pitching is becoming the favorite noon time sport and is rapidly pushing pass ball into the background.

Coach Milton Sanders reports that six teams accepted the Eagle's invitation for a tournament. Bovina, Amarillo, Happy, W. T., Stratford and Dumas will test the Eagles' prowness sometime in December.

It might be interesting and exceedingly amusing to investigate some of the nicknames of the basketball boys such as: "Chic" Wirt, "Stinky" Dowd, "Speedy" Wright, "Li'l Abner" Sanders, and "S. A." Thompson.

Little minds are interested in the extraordinary; big minds in the commonplace.

National Officers Reveal Student Defense Plans

Save! Serve! Conserve!

In cooperation with the War Savings Staff of the Treasury Department and the United States Office of Education, Canyon High School this week joined the nationwide Schools at War Program.

Explaining the Program, Secretary of the Treasury Henry Morgenthau, Jr., stated: "By participating fully in this Schools at War Program, young Americans can tell the world that they are ready-ready for war, ready for victory and ready for peace."

School Aids Country

Realizing the services already rendered by schools of the nation, the Schools at War Program aims to encourage each school to serve the war effort further by developing a closely co-ordinated program of the war activities best suited to its community's needs and resources; to make the American public see and appreciate the great scope and value of school war services through a series of local and state exhibits, ending with a national exhibition of America's Schools at War; to give recognition through special awards to all the schools that enlist in the Schools at War Program.

Award Will Be Given

A Certificate of Service signed by the Secretary of the Treasury will be presented to each school promoting a regular voluntary sale of War Stamps and Bonds if the school submits a scrapbook report on its war activities.

To each state and territory enlisting in the Schools at War Program and holding a state exhibit, the War Savings Staff will send an original brick from the historical Independence Hall.

Superintendent J. B. Speer stated that because of gasoline rationing, Canyon High would not be able to start its program this week, but next week it will start its program of SAVING—money to buy War Savings Stamps and Bonds, SERVING—its school, community and nation, and CONSERVING — all kinds of materials, service, and money.

Haines Will Lead Junior Society

To elect officers for this semester, the members of the Canyon High School Chapter of the Junior National Honor Society held their first meeting of the year recently with their sponsor, Miss Grace Clark.

Beginning the meeting, Miss Clark read the constitution of the National Honor Society.

President Vergie Haines, Vice-President Margaret Lair and Secretary-Treasurer Ellen Sanders were selected to lead the group.

Other regular members of the organization are Tommy Thompson, J. Spencer Winn, Ellen Root, Ruth Price, Shirley Newberry, Sandy Oliver and Evelyn Black.

Probation members are Ann Crawford, James Guthrie, Frances Alice Harp, Betty Ann Miller and Geraldine Small.

Once every six weeks these members will meet to carry on their activities.

If men had no faith in one another, we'd all have to live on our incomes.

The United Nations face a shortage of glycerine . . . needed to make explosives to fire shells. Kitchen fats are a rich source of glycerine.

Cowboys Win Border Conference Thriller Here Over Buffaloes

Mobley Runs Wild; Ford, Vick, and Winters Thrill Fans

West Texas State's Buffaloes found Doc Mobley and Camp Wilson plus an immovable Hardin-Simmons line too much to handle last Saturday as the Cowboys from Abilene won a 40-0 victory before a crowd of 3,000 homecoming fans.

The Cowboys completely halted the Buffalo ground attack, allowing only 40 yards while they made 421. West Texas, however chalked up an even hundred yards in the air to Hardin-Simmons 0.

Both teams began slow as each fumbled but then the Hardin-Simmons machine began rolling, as Mobley scored twice and Wilson once in the first half. In the last half, Mobley and Wilson and McKinnon made a touchdown apiece for the Cowboys leaving them with 16 first downs to the Buffs' three.

Mack Winter, Maroon and White blocking back, gave the crowd a real thrill when he met Mobley as he began one of his many jaunts and neatly took the ball away from him. Thrill number two came in the last quarter when Charles Vick, 6 foot 2 inch reserve end for the Buffs, reached into the atmosphere with one hand to snag a 35 yard pass from "Monk" Ford.

W. T. backs had little chance as the Cowboy forward wall mowed them down, but Anderson, Winter, Castleberry, Ford, Reeves and McMahan played a good game for the Buffaloes.

The West Texas line was led by Co-Captain Joed Forbus who was practically in on every play. Every other lineman performer well, but Teague, reserve tackle was outstanding as were White, and Thomas the other co-captain.

Ryan, freshman back from Abilene, literally murdered the ball on every kick-off as he always booted it into the end zone. This was Hardin-Simmons' sixth straight victory with no losses, while West Texas lost their second Border circuit few undefeated and untied teams in game. The Cowboys are one of the the nation.

Miss Avanelle Hill was crowned Football Queen before the game started. She was attended by Betty Gray, Janelle Womble, Winifred Carroll and Mary Louise Medlin.

Razzle Dazzle Foes Are Next

New Mexico Lobos Will Be Tough, Tricky, and Excelling in Speed

West Texas State's Buffaloes face the last but definitely not the least of their Border Conference opponents when they roll into Albuquerque to tangle with the University of New Mexico Lobos, Saturday afternoon.

Hardly rested from a Homecoming battle with Hardin-Simmons, the stout Buff line will find the exceptionally fast Lobo backfield something to cope with and the New Mexico line proved its ability when it held the Tech Raiders to 20 points.

Coach Barnes of the Lobos runs his backs from a double wing-back and T formation, depending on speed and deception rather than power. Not the least of these fleet-footed gentlemen is left half Server, who in addition to toting the ball, handles the passing and is one of a number of good punters. Server's ability is supplemented by the wild dashes of Smith, his running-mate at the other half back position.

Coach Miller of the Buffs is far from optimistic, after reviewing the University's record for the season, which includes a 25-0 defeat of the lads at Flagstaff and a 32-0 win over the New Mexico Aggies. West Texas was able to defeat the Aggies 23-0 and Flagstaff 27-7, but in both of these games reserve players were largely used, so there really is not much basis for comparison.

The Buffaloes should be at top physical condition for the game if Mack Winter, J. P. McMahan, and Leslie Curb return from the injured list. Line play of both teams will likely figure heavily in the outcome of the game. Vick, end, Kirkpatrick and Clinton, guards, and Teague, tackle, are subs that have been looking good under the handling of line coach Nicklaus.

West Texas has played the University in three previous times, winning the first, 22-8, losing the second 6-12, and winning once more 9-7—the last in 1925.

For the first time in several starts the Buffs will face a quartet of backs as light as their own. The Maroon and White line will slightly outweigh the Lobo forward wall.

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of November 15, 1917)

Randall county's quota of $200 for the YMCA for work among the soldiers was oversubscribed, according to C. R. Burrow, county chairman. $350 was the amount raised.

Work was started on the Episcopal Church, which will be the first brick church erected in Canyon. David Thomas is representing local citizens in this church project. Bishop Temple and Rector Seaman are in charge of the construction.

New Mexico Military Institute defeated the Normal football team, 99 to 0.

President R. B. Cousins has collected $125 from the school children to buy books for the soldiers.

The Methodist Church bought three lots one block west of the square for the site of a new church building.

IF THROAT IS SORE

IF A COLD has given you a miserable sore throat, here's how to relieve the suffering.

DO THIS NOW—Melt a small lump of VapoRub on your tongue and feel the comforting medication slowly trickle down your throat—bathing the irritated membranes—bringing blessed relief where you want it, when you want it.

DO THIS TONIGHT — Rub throat, chest with VapoRub. Its long continued poultice-and-vapor action loosens phlegm, relieves irritation, eases coughing, invites restful sleep.

All America Knows Budweiser... but Few Know This

THEY'VE PASSED THEIR 'PHYSICAL'-TOO

America's feathered and four-legged armies are very much on their toes these days. Yeast vitamins used in fortifying animal feeds have done wonders in recent years to better the quality and propagation of livestock and poultry. Did you know that the Home of Budweiser is America's biggest single source of these vitamins?

Year after year, we have striven with research and resources to better the methods and facilities for brewing Budweiser. To do this, a laboratory specializing in fermentology and nutrition was necessary. Discoveries made in the laboratory and in the plant have led to the development of products contributing to human necessity and progress. Some of these products would appear to have only a remote relationship to brewing, yet, they are the result of scientific research into many allied fields.

Endless research in making the world's leading beer has led to other products

VITAMINS, B COMPLEX—for manufacturers of pharmaceutical and food products. Our plant is one of the world's largest sources.

VITAMIN D—Anheuser-Busch produces enough of the basic material for Vitamin D to supply the entire American market.

BAKER'S YEAST—We are one of America's biggest suppliers of standard and enriched yeasts and malt syrup used to make bread.

CORN SYRUP—many millions of pounds annually for America's candy industry.

SYRUPS—for food, table and confectionery uses and special syrups for medicinal purposes.

STARCH—for food, textile, paper and other industries—millions of pounds annually.

REFRIGERATING EQUIPMENT—for retailers of frozen foods and ice cream the country over. This division is now working all-out on glider wing and fuselage assemblies for our Armed Forces.

DIESEL ENGINES—Adolphus Busch, founder of Anheuser-Busch, acquired the first rights to manufacture this revolutionary engine in America and thus started our great Diesel industry on its way.

As a star feels the sun and falters,
Touched to death by diviner eyes—
As on the old god's untended altars,
The old fire of withered worship dies.—Swinburne.

Peoples, like planets, possess the right to an elipse. And all is well, provided that the light returns and that the eclipse does not degenerate into night. Dawn and resurrection are synonomous.—Victor Hugo.
